AI for Social Impact

International Conference
on
AI for Social Impact: Transforming Businesses, Healthcare, and Policy for Sustainable Development

June 25-26, 2025 @ Ajman, UAE

ABOUT THE CONFERENCE

Artificial Intelligence (AI) is reshaping industries, healthcare, and policy with unprecedented speed and impact. With its capabilities in automation, data analysis, and intelligent decision-making, AI is emerging as a key driver of sustainable development and societal transformation.

Recognising the transformative potential of AI across diverse domains, Shri Ram College of Commerce, University of Delhi, under the aegis of Internal Quality Assurance Cell of the College (IQAC, SRCC), in collaboration with Gulf Medical University, Ajman, UAE, is organising an International Conference on AI for Social Impact: Transforming Business, Healthcare, and Policy for Sustainable Development.

The Conference offers a multidisciplinary platform for scholars, professionals, and policymakers to explore how AI can foster innovation, equity, and global well-being.
