EXPRESSION GAZETTE

STEPS OF EFFIGY

Started from the nadir, was an ordinary school boy
Chased digits as summit, Gold digits lit a year's ploy.
Every space signaled the hit,
Pure adrenaline mixed in the alloy
The high quietly took flit,
The gold paled; beginning to cloy.

Past the nadir stood the silent youth,
blind to summit turned norm
Stacking percentiles ahead,
brushing off a strange familiar boy.
Every space signaled the hit,
but a devoid was leaching through the alloy
The high never took flit,
traced the erosion of peak to an ordinary coy.

Stood the grad with his lone steps, Only to find the bar
turned standard the moment he leaped
He looked back the treads were bleak, jolted by his
stacks, warped footing deceived.
The grad entered the August institution with estranged
feet, a subtle mirage in his vision.

He saw the vortex and recognized the boy with apathy,
was he resigning to defeat, or can he even give up as he
is the foundation of his legion?
