

Team Everest

I am the Change Scholarship

A scholarship for parentless, single-parented, and economically weak students for their undergraduation. All scholars commit to educating at least 1 student in the future. They become the change. Hence we call it as 'I am the Change' scholarship.

About Team Everest

Karthee Vidya founded Team Everest in 2006 with the dream of inspiring everyone to volunteer.

Focus Area

Promoting
Volunteering

Supporting Sustainable
Development Goals

Team Everest has touched **1 million+ lives** and inspired **1 lakh+ people** to volunteer.

Why 'I am the Change' Scholarship?

Only 8.15% of Indians are graduates as reported in last census. Many quit school education after school. This is common in **parentless, single-parented, and other economically weak students** due to their families' money crisis.

We identify such students and sponsor their under graduation through our '**I am the Change (IATC)**' scholarship initiative.

Who are the beneficiaries?

Parentless
Kids

Single Parented
Kids

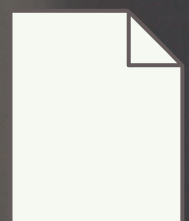

Economically
weak Kids

Student Stories

Sudharshana

Dealing with a hearing deficiency, Sudharshana wants the world to hear her dreams. Sudharshana's late dad suffered a stroke. Her Mom does tailoring, working extra hours led to her spine damage, and it took years to recover. Despite all hard work, they make only 10k to 12k a month!

Sudharshana wants to bring her family up and help children with hearing difficulties.

She got the Team Everest scholarship in 2021 and doing her 1st Yr in BBA.

Jai Suriya

"I still hear my Mother's last few breathes and remember my grandpa's last minutes." Jai Suriya said.

Jai Suriya lost the family he was living with due to the dangerous Delta covid variant. He, too, became a Covid victim and has now recovered.

Despite all this, Jai Suriya aims to study well and serve society in the future. He is pursuing his B.Com in Chennai.

Team Everest identified him in 2021 and gave him a scholarship.
