NOTICE

Accessing Gemini AI Pro, Notebook LLM and Google Studio through DU Domain Email IDs

(This is the Third part of a set of four Notices. Refer Part 1 here: [LINK](#), and Part 2 here: [LINK](#))

Dear Students

This is with reference to Notice dated April 19, 2026 ([Linked](#)) regarding the creation of DU Domain Email IDs for First Year Students.

You can access Gemini AI (<https://gemini.google.com/>) for free through srcc.du.ac.in email Ids. The pro-version has the following advantages amongst others:

- Gemini in Gmail, Docs, Vids and more:** We can access Gemini directly in Google apps
- Gemini app:** Higher access to intelligent models such as 3 Pro, Deep Research and image generation with Nano Banana Pro, plus unlock video generation with Veo 3.1 Fast6
- Higher access in AI filmmaking tools** to create cinematic scenes and stories, including limited access to Ve 36. Further, higher access to image-to-video creation with Veo 3 (*limited to tokens granted for queries per user*)

You can also access to NotebookLLM at <https://notebooklm.google.com> as a Research and writing assistant with 5x more Audio Overviews, notebooks and more. More Details can be seen here: [LINK](#)

You can also access Google Studio (<https://studio.workspace.google.com/>) for automation and AI applications on Email.

Google Studio

The screenshot displays the Google Studio mobile application interface. At the top, there is a dark teal header with the text "Google Studio" and a navigation bar containing icons for help, settings, a home button, and a grid of apps. On the right side of the header, there is a profile picture and a logo for "SRM RAJ COLLEGE OF COMMERCE". Below the header, the main content area is titled "Studio" and includes tabs for "Discover", "My flows", and "Activity". The "Discover" tab is active. Underneath, there is a section for "For Gmail" with a "View more" link. Three "Email boosters" are listed: "Notify me about emails from key people", "Label emails with action items", and "Notify me about urgent emails". Each booster includes icons for Gmail and other services. At the bottom of the main content area, there is a link that says "Do more in Studio". On the right side of the screen, there is a vertical teal sidebar with various icons, including a calendar showing "31", a lightbulb, a checkmark, a person, a rocket, a plus sign, and an information icon.
